

Suburban Ramsey Emergency Coalition

Uniquely qualified to assess needs and target resources to fill them within our communities.

FALL WALK/ BIKE/DRIVE TO SEE THE ROSES

Now Through October 31

We invite you to get out and enjoy a beautiful fall day biking, driving, or even walking to see one or all twenty of the 6.5-ft tall roses that comprise Roseville in Bloom—Roseville’s 1st free public art event. The roses are all outdoors in public areas. We have bike routes of 9.7 and 7.6 miles mapped out or you can hop in your car for an easy drive to all 20.

Registration is free, but we encourage you to donate to the coalition to help out our neighbors in need – some whose most basic human needs are threatened by this crisis.

Suburban Ramsey Emergency Coalition is a unique blend of community service clubs and foundations. The goal is to provide funds, goods, and volunteers to assist those in our communities with the greatest needs resulting from COVID-19. They service within Mounds View, New Brighton, Arden Hills, Shoreview, Roseville, Falcon Heights, Lauderdale, and Little Canada.

This is a great opportunity for kids who are remote schooling to get out for exercise, fresh air, and culture. You will also score discount coupons at each rose by scanning the QR code on the base. PLUS, you will be entered into a prize drawing just for signing up!

Go to rosevilleinbloom.com for the map and videos and suburbanramseycoalition.org to register – it’s FREE!
